

Mall

Mall is a modular furniture system that lets you create effective settings in both small and large spaces.

All-in-one space solution

Inspired by the limitless options of a shopping mall, the Mall collection has components and accessories you can mix and match to build desks, meeting spaces, benches, reception areas and more.

Sustainable solution

Many of Mall's components are recyclable, while its endless configurability ensures it will continue to work for your office as your needs change.

Pre-planned for convenience

For click-and-choose convenience, Mall can be ordered as individual components or as one of 9 typicals that fit most needs. Or start with a typical and then customize the legs, finishes and materials to fit your style.

Reception desk option

Use Mall to build a reception desk that's beautiful and functional

Pre-Planned Typicals

To specify your own Mall configuration, see the full list of products and accessories on our website.
