MALL

LIMITLESS OPTIONS

The Mall collection features modular components and accessories that easily integrate with each other, making it easy to build a custom space.

Choose one of our pre-planned typicals for convenience, or specify your own custom design.

All products available in CET.

SPECIFYING / DESIGN GUIDE

Mall's statement of line is composed of 4 categories of products that you can mix and match:

- Desks and desking components
- Storage and accessories
- Meeting tables and table components
- Reception desks

With Mall, you can create:

- Private office, single, face-to-face and benching workstation layouts
- Seated- and bar-height meeting tables
- Reception desks
- Standalone cabinets and storage

Mall can be specified in 2 ways:

1. Build your own configuration by ordering individual parts and pieces (see pages 7-10).
2. Choose one of our pre-specified typicals (see pages 11-19).

All products are available in CET.

PRODUCT OVERVIEW: Workstations

PRODUCT OVERVIEW: Meeting tables

This section is meant to help you understand the statement of line. For full product details, see Specification pages.

PRODUCT OVERVIEW: Reception desks

This section is meant to help you understand the statement of line. For full product details, see Specification pages.

Wire-management accessories are an optional add-on. If not specified, wires can be fastened below the surface with a wiring tie.

Add pedestal for under desk storage.
