Assembly Instruction

- Please decide the location of your furniture before installation to avoid moving them in a large scale after it is completely installed.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure that each part is in the right position. Furniture is easy to assemble, but it takes patience and carefulness to do a meticulous job.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture unoccupied for a period of time. Open the cabinet and drawer to release residual painting odor.

Thank you for choosing Sunon products.
Please read the instruction carefully
before using.
