

UP1 collection

Configure to fit your space and your needs

UP1 is a height-adjustable desk collection available in 4 styles: single, double, L-shaped and with attached credenza. Combine with UP1 Power Beam and UP1 Gallery Panels to create solutions for every setting.

Available options

Optional features include privacy screen, modesty panel, power pack and cable management tube.

Height ranges

UP1 has a height-adjustable range of 27.8-47.8 inches (two-stage base) or 24-49.4 inches (three-stage).

Power Beam and Gallery Panel

Add Power Beam to the single or L-shaped table to run power to multiple workstations. Gallery Panels attach to UP1 for an easy, affordable space division and privacy.
