

Flower 2

Flower 2 is a collection of lounge seating featuring slim, supportive armrests and back.

Customizable options

The Flower 2 lounge series can be customized to fit a variety of needs, with 1-, 2- or 3-seat options and different base types.

Four types of bases

Choose from sled, wood, four-point star and disk-shaped bases.

Beautiful details

The collection features exquisite, hand-stitched detail and Camira fabric made from natural flax and wool.

Durable foam + upholstery

Each piece is composed of high-density foam, for long-lasting, commercial-grade durability.
