

M Cabinet High Table

Modular and adaptable

Our M Cabinet collection includes bar-height units that can serve as a touchdown workspace, a project area, a place for impromptu meetings, or a social gathering spot.

Multiple sizes

Four sizes are available. Use them as a standalone, or to help you recapture under-utilized spaces along walls or in between workstations.

Options

Some units include integrated power and cable management. One unit includes a storage cabinet. All units include shelves and foot-rest bars.

Customizable

Two laminate colors are available for the table body, while the top comes in six finishes.
