

# M Cabinet

**M Cabinet is a versatile and extensive storage offering encompassing cabinets, lateral files, pedestals, bookcases, wardrobes and more.**

## Flexible + modular

**Fixed or movable, with key or code locks, the 8 kinds of cabinets can be stacked, put side-by-side and combined in a variety of ways. Heights range from 18" to 77".**

### Laminate or fabric doors in a range of colors

Cabinet frames are available in 3 colors, while doors come in 10 colors of laminate (including wood grains) or 12 colors of fabric.

### Adjustable feet for stability

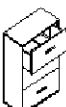

Features include 1.6" height-adjustable feet, to ensure stability even on uneven surfaces.

### Privacy locks

Privacy locks keep items safe, while an indicator lets you see at a glance whether a cupboard is in use or available.
