MALL

LIMITLESS OPTIONS

The Mall collection features modular components and accessories that easily integrate with each other, making it easy to build a custom space.

Choose one of our pre-planned typicals for convenience, or specify your own custom design.

All products available in CET.

SPECIFYING / DESIGN GUIDE

Mall's statement of line is composed of 4 categories of products that you can mix and match:

- Desks and desking components
- Storage and accessories
- Meeting tables and table components
- Reception desks

With Mall, you can create:

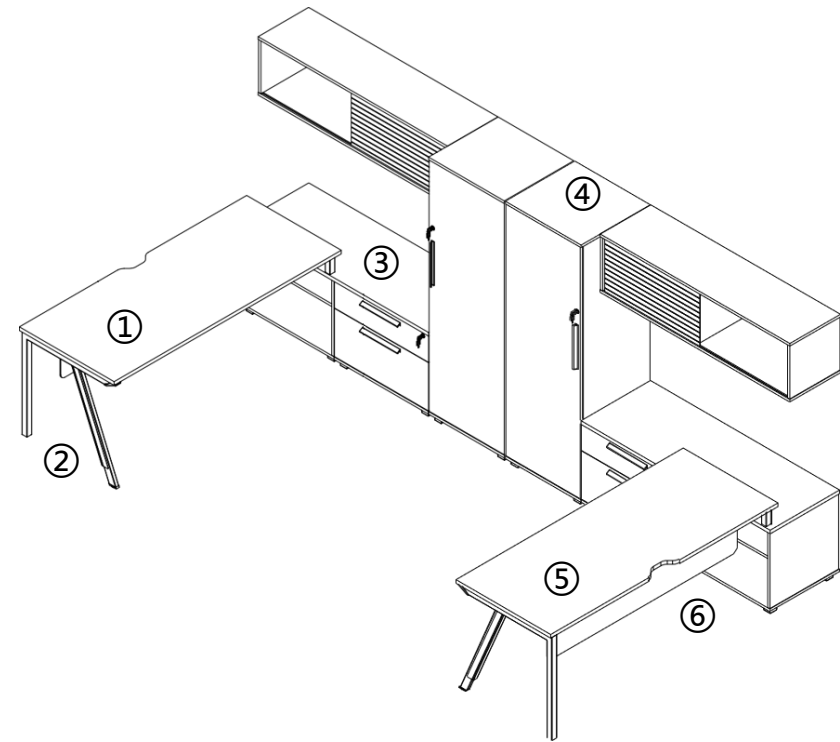

- Private office, single, face-to-face and benching workstation layouts
- Seated- and bar-height meeting tables
- Reception desks
- Standalone cabinets and storage

Mall can be specified in 2 ways:

1. Build your own configuration by ordering individual parts and pieces (see pages 7-10).
2. Choose one of our pre-specified typicals (see pages 11-19).

All products are available in CET.

PRODUCT OVERVIEW: Workstations

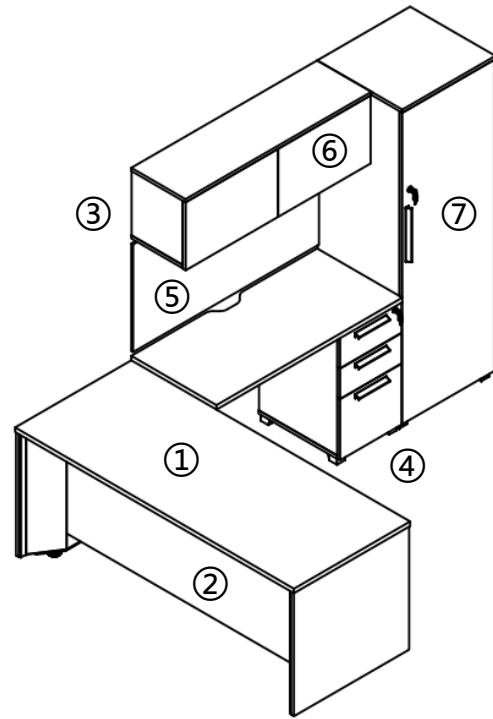

- ① Worksurfaces can be either raised, or level with the credenza.
- ② Legs are powder-coated steel available in Matte White or Meteor Gray.

Wire-management accessories are an optional add-on. If not specified, wires can be fastened below the surface with a wiring tie.

Freestanding cabinets and worksurfaces are not connected.
- ③ Credenzas can be placed on the right or left at installation, but if choosing an angled leg for the desk, you must decide at the point of specification so either a right or left angled leg can be specified.
- ④ When choosing a cabinet with a side- opening door, be sure to specify right- or left-opening.
- ⑤ Optional privacy screens are available in 5 styles:
 - Frameless moveable desktop screen (in acylic, fabric, felt or laminate)
 - Framed desk-mounted screen (in fabric or fabric/whiteboard combo, with aluminum frame)
 - Frameless desk-mounted screen (in acrylic, glass, fabric or felt)
 - Framed modesty panel + privacy screen combo (in fabric)
