

## Instruction for Use

These are the instructions for product use. Please read and follow the guidance of the instructions for proper use and maintenance of your furniture so as to maintain their sound condition after many years of use. Dos and don'ts in furniture use:

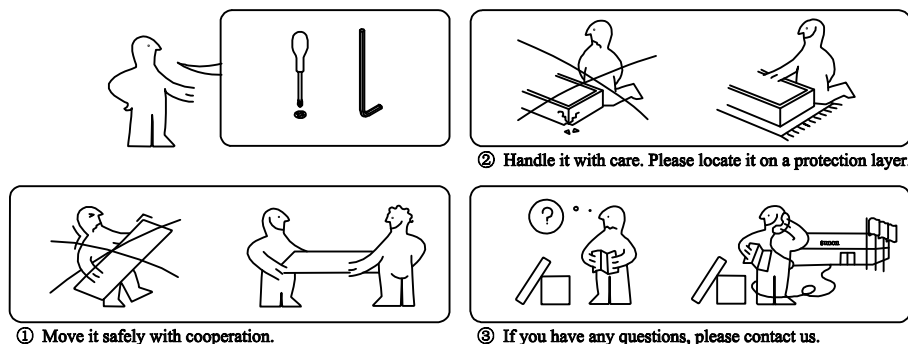

### Trouble Shooting

Problems	Analysis	Solutions
The sofa is not evenly placed	The four legs of sofa are not even on the ground	Put appropriate hard material under the sofa
The moving parts are not flexible	The connector is loose or lack of lubricant	Tighten the screw and add some lubricant
Noise from the sofa	Noise caused by friction between sofa leg and the ground	Use leather pad or foot pad
Crinkly sofa surface	Problem caused by transportation	Pat the surface gently to make the sofa resume to its old status

## Assembly Instruction

- Please decide the location of your furniture before installation to avoid moving them in a large scale after it is completely installed.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure that each part is in the right position. Furniture is easy to assemble, but it takes patience and carefulness to do a meticulous job.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture unoccupied for a period of time. Open the cabinet and drawer to release residual painting odor.
