Modit

Flip the tabletop with just one pull with a single hand, which handles within 3cm for easy use.

Flex and Easy to Arrange

Explore with ease and creativity with Modit Training System's versatile combination of training desks, podiums, and whiteboards, offering a dynamic visual experience in warm white and charcoal grey tones.

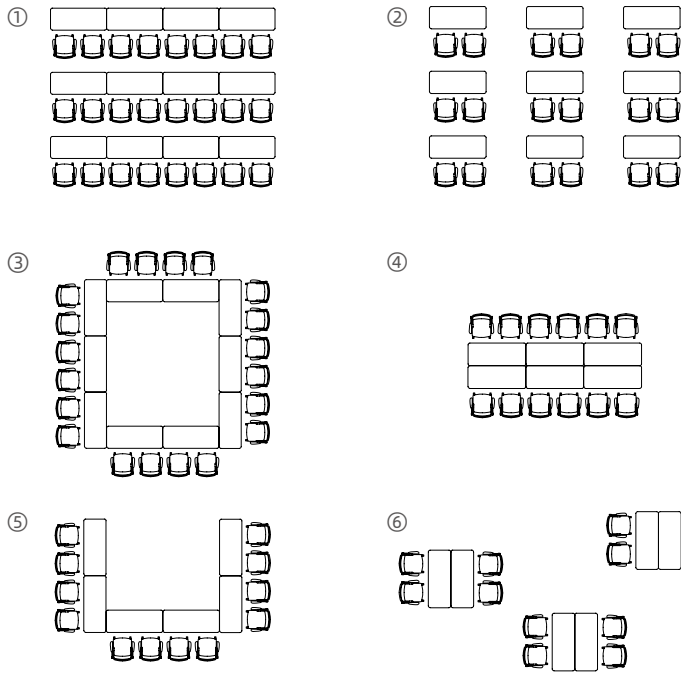

The training desks have eight colors, adapting to any setting. Warm wood grain fosters relaxation and connection to nature, while bright white enhances focus and efficiency.

Adapt to Diverse Spaces

Experience versatile space transformations with the intelligent communication hub, seamlessly transitioning between training sessions, group discussions, and office meetings.

.....

Mobile Whiteboard for Instant Creativity

The whiteboard features a 360° flip function, doubling the writing space, and also serves as an instant partition wall.

Spacious Gap to Avoid Hand-Pinching

Pen Holder with Whiteboard Limiter

Silent Swivel Casters for Smooth and Quiet Movement

Mobile Sit-to-Stand Podium

Prolonged sitting or standing may reduce speech efficiency due to fatigue. The Modit podium enables effortless sit-to-stand adjustment, elevating your performance with integrated features for charging and storage.

The controller enables smooth transitions with a single touch. With a range of 820mm to 1050mm, it ensures optimal posture and comfort for all users.

Controller

Non-Slip Rack

V-shape seminar model

Say goodbye to the monotonous meeting spaces. 5 shapes of tabletops adapt to different meeting requirements and the unique V-shape minimizes visual distractions.

Mandis

Compression without compromise

Optimize your real estate footprint through a practical folding control.

Honeycomb shape-team collaboration

Honeycomb shape is the perfect solution for team collaboration, creating an equal and welcoming atmosphere. Eco-friendly board resists friction and erosion, and stays as good as new with a wipe.

Rectangle-shape (with rounded corner)— training model

Rectangle-shape enables face-to-face communications and brings a collision of ideas. The rounded corner avoids bumps and enhances visual aesthetics.

Rectangle shape- group discussion

Flexible casters move freely and silently. Unique legs that are elegantly shaped provide long-lasting support for the countertop. This training desk can work together in countless ways to adapt to enduring changes.

Mdecor

One of a Kind, Linear Arrangement for Professional Training

Desktop with wood grain is available for choice to build
a space of warmth and care and a space for efficient learning.

Dual-color Banding Technique with Touching Hook Details

The perfect match of warm white and mocha color and seamless banding carries beauty into details. It is equipped with a hook rather than a table pocket, freeing your legs with larger space. With a height of 66cm, the desk is perfect for hanging your bag and umbrella.

Easy to Stack, More Space for Sharing

The innovative design of the foldable desktop with a switch in the middle edge allows you to turn it by 90° using only one hand. The modesty panel moves with the desktop to maintain its all-time beauty. Mdecor could be stacked to save more space.

Arc-Shape Layout Minimizes Visual Distractions

The casters adapt to the evolving requirements, and can be locked when necessary.

Two types of functional white boards with or without a cabinet, designed with a concealed slot on the bottom edge for hanging a pencil box, in which eraser tools and pens are well placed. 185.5 cm high, suitable for people of various heights to write on.

Trans, leisure work and free communication.

Trans

Break the Boundary

Brainstorming at any time.

A place where different ideas meet.

A rich of feet and colors offer options for every aesthetic.

A place to settle in and tackle a few tasks.

Rebuild the communication experience.

The training space needs to be flexible, interactive and fun to motivate employees' creativity. Trans series training tables are available in a variety of colors and types of feet, It is a highlight when standing alone and a fine match to other products. Folding storage design offers more possibilities for storage. The Y-shaped metal foot allows the training to be active and orderly.

Designed to use less, yet deliver so much

Minimalist shapes in ivory white highlight the orderliness and neatness of the training space.

APO

Inspiration never stands by, and sharing should happen anytime, anywhere. Welss training series is equipped with a T-shaped podium, convenient for giving a speech. Mobile whiteboard helps you to share your ideas with everyone present, clearly and visually.

Welss

How can training unfolds in an orderly manner without a training table? Diamond training chairs have different foot shapes in brilliant colors. With tables and chairs, you can also configure it with a writing board. Enter the agile training era quickly.

Arms / Diamond

People can have discussions at this space. The S-shaped chair back line follows the natural spine curve to offer proper support to you back. The lumbar support is hollow to be more breathable. The flexible universal castor is equipped under feet for easy turning around. Let discussion and communication happen anytime, anywhere.
