

JASON II

A solid wood lounge chair designed for quiet comfort. With smooth curves and traditional mortise and tenon joinery, it offers a sense of balance, calm, and refined craftsmanship.

Features

- Ergonomic armrests with smooth curves for comfortable elbow support
- Chair legs extend 20mm above the backrest for hanging coats or bags
- Tapered backrest padded with 195mm thick high-resilience foam for relaxed support
- Four-layer foam seat cushion engineered for even pressure distribution
- Solid wood joints feature mortise and tenon joinery, tested for 100,000 impact cycles and certified to BIFMA standards
- Upholstery options include EPU leather and Gabriel linen fabric for versatile use

Smooth Curves for Easy Comfort

Raised Back for Thoughtful Detail

Soft Seat and Back for Stress Relief

Mortise and Tenon for Solid Stability
