

MODIT

Modit brings together training desks, podiums, and whiteboards in flexible combinations. Its versatile configurations adapt to training, meetings, or casual discussions with ease. Wherever learning begins, Modit is ready to accompany the journey.

Features

- Universal T-shaped base with a minimalist profile, stable and wobble-free.
- 360° silent casters with a 45° beveled anti-kick design, smooth to move without bumps.
- Rounded corners for enhanced safety and refined curves.
- Extended arc handle, only 3 cm from the edge, ergonomically contoured for an easy, effortless grip.
- EVA pads in multiple zones, preventing impact, reducing noise, and keeping surfaces clean.
- Height-adjustable podium with dual storage sections, 825–1055 mm range to suit users 1.5–1.9 m tall.
- Whiteboard displays up to 18 A4 sheets, with 360° rotation for smooth and flexible use.
