

MOTTO SERIES

Motto encourages healthy sitting through a design that supports natural posture shifts. Its wraparound upper back and narrowed lumbar curve offer comfort in every position – whether leaning, perching, crossing, or reclining. Suitable for dining areas, libraries, dorms, and meeting rooms.

Features

- Wraparound upper back with extended curve adapts to various body types.
- Narrowed lumbar design supports reversed and side-sitting postures.
- Plastic backrest with a 105° whale-tail flare offers broad support for pressure-free reclining.
- Forward-leaning backrest hooks onto table edges, easy to lift for cleaning.
- T-shaped backrest doubles as a hanger for coats and bags.
- 30mm rust-resistant leveling glides keep the chair steady on uneven floors.
- Hollow handle ensures a comfortable grip and easy lifting and mobility.
- New bentwood backrest with a 105° tilt and curved contour for ergonomic support.
- Optional upholstered seat with high-density foam for breathable, resilient comfort.

T-shaped Curved Backrest Wraps You in Comfort

Hangs on Tabletop for Easy Floor Cleaning

Whale-tail Flare, Designed for Support and Comfort

Bags Hang Neatly on the Back, No Need for the Floor
