

UX

Designed with meditative relaxation in mind, the UX allows executives to recharge during a busy day. Its fully contoured, one-piece form cradles the body like a secure capsule, distributing pressure evenly. The 105° recline provides scientifically supported spinal alignment, while luxurious down padding offers a duvet-like seating experience. Every moment of fatigue finds a place to release, enabling immediate relaxation and renewed energy for the next appointment.

Features

- Lab tests show UX reduces average pressure by 32% and peak pressure by 69% compared to standard foam sofas.
- First-class cabin-style design cradles the whole body, dispersing pressure and enhancing comfort.
- Backrest, seat cushion, armrests, and footrest are fully filled with 1.5 kg of pure duck down—sitting feels like sinking into a duvet, soft and plush.
- Scientifically designed 105° recline supports the spine for optimal rest.
- 360° rotating ottoman allows flexible adjustment for comfort or social interaction.
- Available in litchi-grain leather or chenille fabric, in rich natural tones, turning your office into a scenic retreat.

Focus Mode – Casual Work

Sleep Mode – Quick Recharge

Relax Mode – Take a Moment

Social Mode – Balanced Comfort
