

WATERFALLS

Drawing inspiration from cascading waterfalls, the Waterfalls lounge chair features slender grooved legs and a clean, minimal silhouette. It blends modern simplicity with subtle detailing from Ming and Qing-era furniture to evoke a refined, classical elegance.

Features

- Made from PP reinforced with 25% fiberglass and injection molded for a clean, durable finish.
- Soft seat cushion offers everyday comfort
- Curved wraparound back supports a wide range of body types
- Lightweight at 4.7kg, easy to lift with a rounded lower back edge
- PVC glides ensure smooth, quiet movement and floor protection
- Available in linen or PVC upholstery, with freely configurable seat shell and cushion colors

Curved backrest for comfortable support

integrated construction for lasting durability

Cushioned seat for continuous comfort
