

SAMU

Inspired by the sleek lines of a whale, SAMU is a whimsical lounge that brings a smile to everyone's face. Designed by renowned Italian studio Favaretto & Partners, the name comes from Smart, Adorable, Multipurpose, Unique.

Key Features

- SAMU injects new vitality to discussions and talks, breaking through the dull atmosphere in office.
- The lines are as smooth as drifting cloud and flowing water.
- The design of side pocket imitates the skin texture of whale's lower jaw.
- Sophisticated details make an effortless look.
- Being a thoughtfully designed "fish", SAMU is exclusive for you.
- SAMU adopts American nanotechnology fabric, which has passed strict tests on water-proof, antifouling, and grease-proof functionality.
