MODEL

Supermodel style, stylish workspace

***Beautiful, stylistic and functional,
Model is designed to blast the traditional office.***

Visually striking appearance and bold color combinations
make it stand out at the first sight.
Everyday is a fashion show, and Model is your best choice!

Super "Model" Debut

Model's slender legs and slim waists remind people of supermodels strutting down the runway. Fashion, style, and confidence, that's indeed what we want to deliver through this chair.

With an energetic mix of colors, Model is a must-have asset for a modern office!

Model's slender legs help to constitute a chic profile while stacking-up design takes up less space and enhances convenient storage.

Durable chair sliders for smooth, noise-free movement.

Distinctive in Its Details

Poetic curves give you appropriate "push back" when you recline, and the unique armrest design makes it possible for this chair to be placed on the desk, bringing many conveniences for clean-up.

Creativity

Creativity doesn't wait for that perfect moment. It fashions its own perfect moments out of ordinary ones.

Model is born to be unique, bold and unconventional. Eye-catching four-leg spider base adds an artistic appeal to the surroundings and encourages people around to think outside the box. An intersection of beauty, stability and functionality.

Remarkable flexibility

Always Ready to Bounce Back

Crafted with highly resilient PP, the backrest holds up your body and bounces back intuitively.

Eyes on Waist

Model, just as its name conveys, is blessed with a curvy body. Every part is well-defined to create a perfect stunner.

A Charming Beauty

The slim and long legs give Model a commanding presence, while the foam-made seat cushion shows its tenderness.

***Color Meets
Comfort***

Anything but Ordinary

Model can either harmonize with desks or simply stands alone as it can be configured with a writing board.

Break the Limit

360° rotating small writing board together with 180° rotating supporting rod is designed to satisfy practical needs.

A Quick-Change Artist

Model is configured with no-noise casters so that it can always respond to changes and provide a flexible solution.

Ideas for Better Neatness

Under-chair shelf can store bags and papers, allowing for easy and elegant decluttering.

Stand Up!

Model is designed with innovative base structures, which means the seating surface can be placed on the desk surface when you need to clean the floor.

Keep It Organized

Simplified leg design has a reserved statement of line that boasts broad application potential.
