

I-Varna

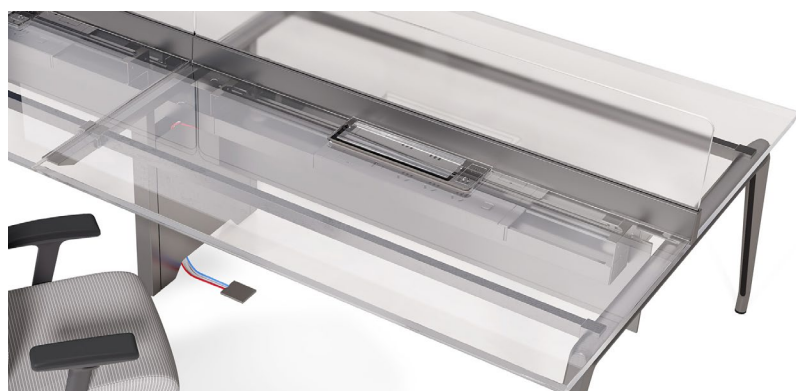

One solution for benching, desks and meeting rooms

I-Varna is a collection of laminate desks, benches, tables and storage made with exceptional quality at an affordable price. Uniquely modular, the pieces can be combined to create almost any type of environment

Unique details

Desks and tables are available with straight- or knife-edge, to complement the distinctive leg style.

Convenient power and wire management

Desks and benches include integrated power, as well as cord management to keep workspaces tidy.

Helping you stay organized

Desk options include: Attached credenza with passcode locks, privacy screen with tackboard and matching pedestal.
