MALL II

LIMITLESS OPTIONS

The Mall II collection features modular components and accessories that easily integrate with each other, making it easy to build a custom space.

Choose one of our pre-planned typicals for convenience, or specify your own custom design.

All products available in CET.

SPECIFYING / DESIGN GUIDE

Mall II's statement of line is composed of 4 categories of products that you can mix and match:

- Desks and desking components
- Storage and accessories
- Meeting tables and table components
- Reception desks

With Mall II, you can create:

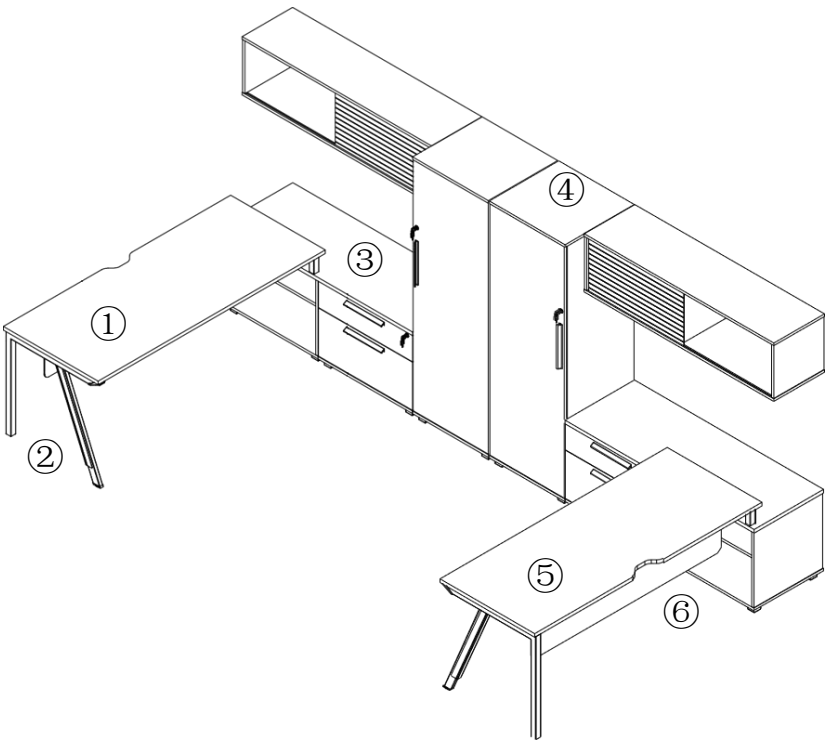

- Private office, single, face-to-face and benching workstation layouts
- Seated- and bar-height meeting tables
- Reception desks
- Standalone cabinets and storage

Mall II can be specified in 2 ways:

1. Build your own configuration by ordering individual parts and pieces (see pages 4-12).
2. Choose one of our pre-specified typicals (see pages 13-24).

All products are available in CET.
